Boards.

The 20th August, 1937.

No. 4515-D. C.—In exercise of the powers conferred on him by section 12 of the Northern India Ferries Act, 1878, as subsequently amended, the following rules have been made by the Commissioner, Jullundur Division, for the regulation of public ferries in the area subject to the authority of the District Board of Hoshirápur and shall come into force with effect from 1st April, 1938, in supersession of the existing rules on the subject :—

RULES.

1. The District Board may either keep the ferries under its own management, or may arrange to lease the collection of tolls for any period—

(a) not exceeding one year with the sanction of the District Magistrate ; or

(b) not exceeding 5 years with the sanction of the Commissioner of the Division.

2. *The leases shall be sold by public auctions at fixed place and time but not later than 15th March in the financial year preceding that to which the leases to be sold relate. Due publicity shall be given of the place and time of sale. The Chairman of the District Board may withdraw any or all of the leases from auction if the bid or bids made appear to him inadequate, or for any other sufficient reason.

*No ferry may be leased for more than 5 years at one time without the sanction of Local Government.

3. The sale shall be conducted by the Chairman of the District Board or by such person as he may appoint for the purpose. All bids shall be recorded with his own hand by the officer conducting the sale.

4. The officer conducting the sale shall, on application made in writing before the sale, inform intending purchasers of the tolls of the terms on which the lease is to be held, and so far as possible furnish, if desired, other particulars likely to affect the value of the lease.

5. If a lease is cancelled or surrendered and it is proposed again to lease the tolls, they shall, on such date as the District Board may appoint, be sold for the remainder of the current financial year. The new lease shall begin from such date as the District Board may fix ; and in other respects rules 1 to 4 shall apply to the sale.

6. Any purchaser whose bid is accepted by the District Board will be required to pay in advance the amount of the rent payable for 2 months of the period for which the tolls are leased and to pay the rent due for each month immediately on the expiration of that month, credit being given for the sum deposited in advance against the rent for the last two months of the period. If it is considered necessary for the protection of the revenue, security to the extent of the rent payable for six months may also be required.

7. No bids shall be accepted from persons not residents in British territory, or from an independent chief, or the servant or subject of such chief without the sanction of the Commissioner of the Division.

8. The purchaser of a lease shall not be at liberty to transfer it or to underlet any ferry without the permission in writing of the District Board.

9. The District Board may order the tolls of a group of ferries to be sold together if, with reference to their situation, it considers this necessary to prevent competition for the traffic. In the absence of such direction, the tolls of each ferry shall be put up to sale separately.

10. After the prescribed advance has been paid, a written lease shall be given to the lessees of the tolls specifying the period for which the lease has been granted, the amounts and dates of instalments to be paid, whether the lessee is responsible for providing the boats and their equipment and for maintaining the prescribed crew, or only for the collections of the tolls, and if the boatmen are paid by a share in the collection what share they are entitled to receive. The lessee shall execute a counter part agreement containing the same particulars, and an undertaking to observe all rules in force, or which may be brought into force during the currency of his lease, under section 12 of the Northern India Ferries Act, 1878, so far as they relate to his duties.

11. The lessee shall report to the District Board the name of any agent whom he may appoint to collect the tolls and to discharge any duties incumbent upon him at any ferry, and the dismissal or transfer of any such agent, before the expiration of the lease. This will be subject to the approval of the District Board and it can dismiss an undesirable agent at any time and require the lessee to produce another instead.

12. If the lessee is responsible for providing the boats and their equipment he shall be required to take over at a valuation to be approved by the District Board, all boats and their equipments and all other material and appliances used by his predecessor for the purpose of the ferry, if in good condition and suitable for the purpose, and not in excess of what is required for the proper working of the ferry.

13. If the lessee is not required to provide the boats and equipment, he shall pay for the service of the boats and boatmen such share of the gross collections from tolls or other remuneration as may be customary, or as the District Board may have determined before sale of the lease.

14. 3. From the date on which these rules come into force the rules published with Commissioner, Multán Division's notification No. 31, dated 24th August, 1921, shall be cancelled but all orders made, notices issued, tolls assessed, contracts entered into, and suits instituted under the said rules, shall as far as may be, be deemed to have been respectively made, issued, assessed, entered into and instituted under these rules.

4. In these rules unless there is anything repugnant in the context—

(2) " Ferry " means a public ferry as defined by the Local Government under section 4 (*a*) of the Act.

(3) " District Board " means the District Board of Montgomery, Lyallpur, Jhang, Multán, Muzaffargarh or Dera Ghâzi Khan.

(4) ' Commissioner " means the Commissioner of the Multán Division.

5. The District Board may either keep any ferry entirely under its own management or may let out the collection of tolls by public auction to a lessee for a period not exceeding one year, provided that if such a lease is cancelled or surrendered, and the collection of the tolls is released, the new lease shall be for the remainder of the current financial year only.

6. (1) Where the collection of tolls is let out to a lessee the leases shall be sold by public auction by the Chairman of the District Board or by such member or servant of the Board as he may appoint for the purpose.

(2) All bids shall be recorded in his own hand by the officer conducting the sale.

7. The right to collect tolls at each ferry shall be put up to sale separately : provided that the District Board may order the right to collect tolls of a group of ferries to be sold together if it considers this necessary to prevent competition for traffic.

8. (1) Auction for the sale of leases to collect tolls shall be held not later than one month before the date from which the leases are to commence.

(2) Due publicity shall be given of the time and place of sale.

(3) If the auction is not concluded on the appointed day it may be postponed by the officer conducting the sale to the next day or to some other *suitable date,* after announcing the fact to the intending purchasers.

Provided that if the District Board considers necessary the purchaser may be required to deposit security to the extent of the rent payable for the period of the lease.

11. No person against whom any demand of the District Board is outstanding shall be eligible to bid at an auction for the right to collect tolls.

12. No bid shall be accepted from persons not resident in British territory or from any independent Chief or the servant of such chief :

C.—In exercise of the powers conferred on him by section 12 of the Northern India Ferries Act, 1878, as subsequently amended, the following rules have been made by the Commissioner, Jullundur Division, for the regulation of public ferries in the area subject to the authority of the District Board of Kangra, and shall come into force, with effect from the date of publication of this notification, in supersession of the existing rules on the subject :—

RULES.

1. The District Board may either keep a ferry under its own management or may arrange to lease the collection of tolls for any period .—

(*a*) not exceeding one year with the sanction of the District Magistrate ; or

(*b*) not exceeding five years with the sanction of the Commissioner of the Division.

2. Every lease shall be sold by public auction at the place and time fixed for the purpose, but not later than 1st March in the financial year preceding that to which the lease to be sold relates. Due publicity shall be given of the place and time of sale. The Chairman of the District Board may with draw all or any of the leases from auction if the bids or bid made appears to him inadequate or for any other sufficient reason. He can also order recovery of the whole amount of the last bid in one instalment if the amount exceeds the maximum fixed.

3. The sale shall be conducted by the Chairman of the District Board or by such person as he may appoint on his behalf.

4. The officer conducting the sale shall, on application made in writing before the sale, inform intending purchasers of the tolls of the terms on which the lease is to be held, and so far as possible furnish, if desired, other particulars likely to affect the value of the lease.

5. If a lease is cancelled or surrendered and it is proposed again to lease the toll, it shall, on such date as the District Board may appoint, be auctioned for the remaining period. The new lease shall begin from such date as the District Board may fix ; and in other respects rules 1 to 4 will apply to the sale.

6. All intending bidders will be required to deposit a sum of Rs. 50 with the Secretary, District Board, or any other person appointed for that purpose. The amount will be taken into account as part-payment in the case of the bidder whose bid is accepted and in all other cases it will be returned on the close of the auction.

7. No bids shall be accepted from persons not residents in British territory or from an independent chief or the servant or subject of such chief without the sanction of the Commissioner of the Division.

8. Every purchaser whose bid has been accepted shall be required to pay in advance one-fourth of the sale money within one week from the date of the auction and the balance will be recovered by monthly instalments to be fixed by the Chairman, District Board, within the first nine months of the year for which the ferry is leased out. In case of non-compliance with the condition of payment of the one-fourth advance the sum of Rs. 50 referred to in rule 6 above will be forfeited and the ferry will be re-auctioned, in which case the original purchaser will be liable to pay the deficit in re-auction, if any, to the District Board. The new lessee shall also be bound to the above condition.

9. The purchaser of a lease shall not be at liberty to transfer it or to underlet any ferry without the permission in writing of the District Board.

10. The District Board may order the tolls of a group of ferries to be sold together if, with reference to their situation, it considers this necessary to prevent competition for the traffic. In the absence of such direction, the tolls of each ferry shall be put up to sale separately.

11. Every purchaser of a ferry shall be required to execute an agreement at his own expense, in favour of the District Board with two reliable persons as sureties, on a non-judicial stamp, within a fortnight of the date of auction. The agreement so executed shall contain the particulars in the lease mentioned in rule 13 below, and an undertaking to observe all rules in force, or which may be brought into force during the currency of his lease, under section 12 of the Northern India Ferries Act, 1878, or other orders, so far as they relate to his duties. Failing to comply with this condition the contract will be cancelled by the Chairman, District Board, and re-auctioned, in which case the amount of the advance referred to in rules 6 and 8 above will be forfeited to the District Board and the purchaser will be liable to pay to the District Board the loss, if any, in re-auction.

12. The monthly instalments fixed under rule 8 will be paid into the District Board office on the first of each month for which the instalment is due, failing which the amount will be recovered with a penalty of rupee one per hundred or a part thereof, per week. In case of persistent default the contract may be cancelled by the Chairman, District Board, and the ferry may be re-auctioned, in which case the contractor and the two sureties referred to in rule 11 will be liable to pay to the District Board the loss, if any, in re-auction or otherwise.

13. After the prescribed advance has been deposited and agreement executed, a written lease shall be given to the lessees of the tolls specifying the period for which the lease has been granted, the amounts and dates of instalments to be paid, whether the lessee is responsible for providing the boats and their equipment and for maintaining the prescribed crew, or only for the collection of the tolls, and if the boatmen are paid by a share in the collection what share they are entitled to receive. 14. The lessee shall also be given a schedule of rates of the prescribed ferry tolls sanctioned by the Government, for his guidance and collection of ferry tolls.

15. The lessee shall report to the District Board the name of any agent whom he may appoint to collect the tolls and to discharge any duties incumbent upon him at any ferry, and the dismissal or transfer of any such agent, before the expiration of the lease.

16. If the lessee is responsible for providing the boats and their equipment, he shall be required to take over at a valuation to be approved by the District Board, all boats and their equipment and all other material and appliances used by his predecessor for the purposes of the ferry, if in good condition and suitable for the purpose, and not in excess of what is required for the proper working of the ferry.

17. If the lessee is not required to provide the boats and equipment he shall pay for the service of the boats and boatmen such share of the gross collections from tolls or other remuneration as may be customary, or as the District Board may have determined before sale of the lease.

18. The District Board shall determine for each ferry the traffic of which is conveyed by boats the number and kinds of such boats to be maintained and their dimensions and their equipment, the number of the crew to be maintained for each

1. Ordinary general meetings of the municipal committee shall be held at the Town Hall on the first Wednesday of every month at a time fixed by the President or in his absence by the Vice-President, and special meetings of the municipal committee shall be held at the said Town Hall on such date and at such time as may be fixed by the President or in his absence, by the Vice-President.

2. (*a*) The notice of every meeting under rule (1) shall state the place, date and hour fixed for it and shall be signed by the President, Vice-President or Secretary.

(*b*) The notice shall be accompanied by a duly attested list of the business to be transacted at the meeting, hereinafter called " Agenda ", a copy of which shall be supplied to each member.

(*c*) The agenda shall include every matter that any member may desire to put to the meeting ; provided that a copy of the motion thereon signed by such member and by a seconder is delivered to the Secretary at the Municipal Office at least seven clear days before the date of the meeting.

(*d*) The notice and agenda shall be despatched so that at least one clear day for a meeting that is deemed to be urgent and three clear days for any other meeting shall intervene between the date of despatch and the date of the meeting.

3. Notice of an adjourned meeting shall be given by the chairman on the spot and the same shall as soon thereafter as possible, be sent to all members of the committee who are absent ; provided that it shall be lawful for the President, or in his absence the Vice-President, to alter with due notice on an emergency, the place, date or hour of such meeting.

4. All cases on the agenda of a meeting shall be made available in the Secretary's office for the inspection of members immediately after the despatch of the agenda.

5. No business shall be transacted at an ordinary meeting of the committee unless at least one-third of the total number of members are present.

6. In the absence of a quorum the chairman shall forthwith suspend the proceedings and adjourn the meeting.

7. Every meeting shall commence with a motion by the chairman that the minutes of the previous meeting be confirmed. Such minutes shall ordinarily be taken as read. Any member who was present at the previous meeting may object to the confirmation of the minutes by moving an amendment on the ground that any matter is not correctly recorded or expressed. Any correction that the majority of the members present at the time when the matter in question was before the house consider necessary shall then be made in the minutes and thereafter the minutes shall be confirmed.

8. The chairman shall decide all points of order or procedure and his decision shall be final. Whenever he rises, any member speaking shall resume his seat.

9. The items on the agenda shall be dealt with in their order; provided that the chairman, with the consent of the majority of the members present, may vary such order or bring before the meeting any matter not included in the agenda.

10. If more than one member rise to speak at the same time, the chairma shall name the member who is to speak.

11. Members when speaking shall stand and address the chairman and except on a point of order, or personal explanation, the member speaking shall not be interrupted by any member other than the chairman.

The members speaking shall then give way, and remain seated, until the chairman has decided the point raised ; provided that the chairman may permit any other member including the member called to order to speak on the said point.

15. If the meeting refuses to obey the ruling of the chairman on any matter, he may adjourn it at once, and once he declares the meeting adjourned on this or any other ground, the subsequent proceedings of the meeting or any residue thereof shall be void and shall not appear in the minutes.

16. The chairman may, after calling the attention of the meeting to the conduct of a member, who persists in irrelevance or in tedious repetition of his own arguments or of the arguments used by other members, direct him to discontinue his speach.

17. The chairman may name any unruly member for report to Government for consideration under section 16 (1) (*e*) of the Act.

The chairman may take such action as he considers necessary for the removal of any member who disobeys an order to withdraw under this bye-law.

19. Every motion or resolution shall be read, and if seconded shall be deemed to be before the meeting for discussion. The mover shall speak first in support of the motion ; then the seconder may speak, or, if he desires, he may reserve his speech to a later period of the debate.

20. A member may speak only once to each motion, but the mover or seconder of a substantive motion or resolution may reply at the conclusion of the debate thereon ; provided that the chairman at his discretion may at any time allow a member, who has already spoken, to make a brief explanation.

21. After a motion has been proposed and seconded, any member may propose an amendment thereto. An amendment that is not seconded falls through.

23. A member, who has already spoken on a substantive motion before the meeting is not thereby debarred from speaking on an amendment to the motion ; provided that in so doing he confines himself strictly to the fresh matter introduced by the amendment.

24. No motion or amendment shall be withdrawn except with the consent of the meeting.

25. Every motion, resolution or amendment voted on shall be put to the meeting both for and against.

Proviso ;—Nothing in this and the following bye-law shall affect the provisions of the rules for the election of the President and Vice-President, published in Punjab Government notification No. 18030, dated 28th May, 1930.

26. Unless a poll is demanded by any member present at a meeting, a declaration is made at the meeting by the chairman that a motion, resolution or amendment has been carried or lost shall be sufficient warrant for making an entry to that effect in the minutes. If a poll is demanded by any member present, it shall be taken by show of hands and the result of such poll, as declared by the chairman shall be deemed to be the resolution of the committee.

27. No matter on which the committee has recorded a resolution shall be again put before it for discussion :—

2. (*a*) The notice of every meeting convened under by-law 1 shall state the place, date and hour fixed for it and shall be signed by the President, Vice-President or Secretary.

(*b*) The notice shall be accompanied by a duly attested list of the business to be transacted at the meeting ; hereinafter called " Agenda ".

26. Unless a poll is demanded by any member present at a meeting, a declaration made by the Chairman that a motion, resolution or amendment has been carried or lost shall be sufficient warrant for making an entry to that effect in the minutes. If the poll is demanded by any member present, it shall be taken by show of hands and the result of such poll as declared by the Chairman shall be deemed to be the resolution of the Committee.
